Student Group/Title: 9 Teleportation   **Assessor:** APH

1. Assess how well the speaker(s) *express* themselves

Very Poor	Poor	Deficient	Inadequate	Adequate	Good	Very Good	Excellent	Exceptional	Perfect
1	2	3	4	5	6	7	8	(9)	10

Feedback (circle as appropriate):
Voice is modulated poorly / adequately / excellently across the talk.
Language is loose / missing important details / flawed / precise / extremely clear.
The speakers ignore completely / ignore occasionally / engage occasionally with / engage enthusiastically with the audience.

2. Assess the *delivery* of the *oral presentation*:

Very Poor	Poor	Deficient	Inadequate	Adequate	Good	Very Good	Excellent	Exceptional	Perfect
1	2	3	4	5	6	7	8	(9)	(10)

Feedback (circle as appropriate):
Pace is too slow / about right / too fast / perfect
The preparation is poor / haphazard / dependent on notes / standard / careful / flawlessly rehearsed
Oral delivery is unclear / hesitant / poorly planned / adequate / clear / engaging / pleasant / fluent / crystal clear

3. Assess the *standard* of the *presentation materials*:

Very Poor	Poor	Deficient	Inadequate	Adequate	Good	Very Good	Excellent	Exceptional	Perfect
1	2	3	4	5	6	(7)	8	9	(10)

Feedback (circle as appropriate):
The content is too shallow / lacking profundity / standard / informative / highly meaningful
The slides are text-heavy / difficult to read / clear / visually appealing / excellent
The visual resources or props are not useful / lacking in meaning / adequate / make an impact / inspiring to others
The presentation was on time / poorly timed (delayed by < 2 minutes) / lacking in time control (> 2 minutes late)

4. Assess how evidence for the development of *expert knowledge* is presented:

Very Poor	Poor	Deficient	Inadequate	Adequate	Good	Very Good	Excellent	Exceptional	Perfect
1	2	3	4	5	6	7	8	(9)	(10)

Feedback (circle as appropriate):
Examples are missing / superficial / standard / well-chosen / showing insight / profound
Explanation of figures is missing some important information / flawed / covers basics / has minor omissions / fully comprehensive
Explanation of slide content is flawed / confused / confusing / generally clear / insightful / crystal clear

5. Assess the quality of the speaker(s) *responses to questions* and *feedback*:

Very Poor	Poor	Deficient	Inadequate	Adequate	Good	Very Good	Excellent	Exceptional	Perfect
1	2	3	4	5	6	7	8	(9)	10

Feedback (circle as appropriate):
Answers to questions were off track / adequate / good / to the point / excellent.
Answers were too short / hesitant / off track / on point / too long.

45.5

Total Mark: /50

Comments:

Group 9 discussed quantum teleportation in their presentation. This included a discussion of Zeilinger's original paper, as well as some illustrative ideas on how to encode teleportation on a quantum circuit. The talk was well delivered, but went slightly over time. The slides included useful illustrations throughout, but could have been more appealing.
